Optional Attendees: Tyler, Tom; Diaz, Catherine; Odusote, Gloria

The briefing is to provide Michal with information on FDA's "Feed Your Mind" initiative and EPA's continuing role as the initiative develops. This briefing request is a follow-up to a briefing held for Michal on June 17 on a potential rulemaking for PVC-PIPs where the Feed Your Mind initiative was mentioned. This FDA initiative is intended to help consumers better understand genetically engineered foods. EPA and USDA provide technical and policy input into the project.
